I, Marco Vazquez, declare:

1. I am the Defendant/Respondent in this matter. I am over the age of 18 and am a resident of the State of California. I have personal knowledge of the facts set forth below and, if called as a witness, I could and would testify to such facts.

2. On or around January 29, 2025, my son was served a Gun Violence Restraining Order by the Chula Vista Police Department. Before being served this paperwork, officers visited my house for a welfare check on my son on February 24, 2025. During this visit, I spoke with law enforcement about my son. During this conversation, they said that they looked up my firearms record and asked if I had guns in the house. I informed them that I did have firearms in the house, but that all firearms were locked in safe inside a locked closet in my house and that no one, including my son Caleb, had any access to the firearms.

3. Law enforcement then asked if they could enter my home to search and confirm that the firearms were stored in a locked safe. While I understand their desire to confirm what I had told them, I invoked my Fourth Amendment right and respectfully refused to allow them to enter and search my home.

4. *Before* being served any the paperwork associated with my son or myself, my wife and I discussed the events, and we decided that I should remove all firearms from the home even though they were properly stored in a secure safe.

5. Thus, I voluntarily took all firearms, ammunition, and accessories from my home and lawfully transferred them to my local Federal Firearms Licensee for storage purposes. My wife and I also secured all sharp knives in the home to prevent unauthorized access.

6. After getting the paperwork showing that I removed all firearms, ammunition, and accessories from my home, I voluntarily delivered this proof of transfer to the Chula Vista Police Department.

7. While I was there, I spoke to the law enforcement officer handling my son's case and was served with a gun violence restraining order against me.

8. Reading through the application, the *only* reason for seeking a gun violence restraining order against me is that I would not allow law enforcement to search my home.

9. To be clear, I have never allowed unauthorized access to my firearms to any person, including my son.

10. Attached hereto as **Exhibit A** are true and correct copies of a pictures of my gun safe in which my guns were stored *before* I voluntarily removed them from our home. Not only was this safe kept locked at all times, but it was also stored inside a locked closet in which I was the only person with access to it.

11. I have never acted in an irresponsible manner in owning, possessing, and using my firearms. Nor have I ever been accused of doing so.

12. I have never acted negligently in owning, possessing, and using my firearms. Nor have I ever been accused of doing so.

13. I have never made any threats to any individual or group. Nor do I support anything that threatens or incites any kind of violence against any individual or group. I have also never been accused of making or supporting such action.

14. I do not advocate for or support any violent ideology such as Nazism, racism, school shootings, or mass shootings. Again, I have never been accused of any such behavior.

15. While I understand law enforcement's desire to confirm what I told them, there was nothing to indicate that I was lying to them. If all they required was a picture of my safe, they could have asked and I would have provided it to them. However, they did not ask for any kind of proof other than for me to allow them to search my home.

16. There was never any need for a gun violence restraining order to be issued against me for exercising my Fourth Amendment rights.

17. There is no evidence of any kind that I have ever made threats or committed acts of violence. There is no evidence that I committed any unlawful or reckless use of my firearms. I have never received or violated any restraining order. I have no record of substance abuse or mental health issues; and I have no criminal record that would prohibit me from owning or possessing firearms.

18. I am well aware of the seriousness of the allegations made against my son. That is why my wife and I took the initiative to remove all firearms, ammunition, and accessories from

our home and secure all sharp knives in our home before any gun violence restraining order was issued against me.

19. My wife and I have also voluntarily taken other steps to help and monitor my son.

20. My wife and I communicate regularly with my son's school. Specifically, we are in regular communication with the school counselor, dean, and principal to help monitor my son. We have cooperated with the school by signing a release of information form with the school.

21. My son is now in therapy. He has been going for about two weeks now and sees DeShawn Henderson (Phone No. 1-619-587-2300), referred by CVPD. He attends therapy once a week and we plan to make sure he continues to attend until any and all issues have been resolved.

22. My wife and I have also significantly increased our supervision over our son. He is not permitted to go out without oversight/supervision. My wife and I have been supervising him daily since the incident to the extent that we have stayed home for work to ensure that he is always under our supervision.

23. The only time he is not under our direct supervision is when he is at work.

24. Since the incident, we are also now monitoring our son's online presence, including all social media. We observe all of his online activities, who he talks to, what he talks about, and who he is friends with.

25. Presently, our son spends his time with his parents, grandparents, brother, and a small group of friends that my wife and I approve of. Again, these activities are all supervised.

26. I have no intention of bringing my firearms back into the house until my wife, my son's therapist, and I believe it is safe to do so. Even then, I will always keep my firearms securely stored to ensure there is never any unauthorized access to them. I also have no intention of allowing my son access to my firearms.

27. I understand my responsibilities as a parent and a firearm owner. I will continue to act responsibly, as I have always done.

I declare under the penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration was executed in Carlsbad, California, on February 13, 2025.

A Case Management Statement (JC Form #CM-110) must be completed by counsel for all parties and by all self-represented litigants and timely filed with the court at least 15 days prior to the initial CMC. (San Diego Superior Court (SDSC) Local Rules, rule 2.1.9; Cal. Rules of Court, rule 3.725).

All counsel of record and self-represented litigants must appear at the CMC, be familiar with the case, and be fully prepared to participate effectively in the hearing, including discussions of Alternative Dispute Resolution (ADR) options.

It is the duty of each plaintiff (and cross-complainant) to serve a copy of this Notice of Case Assignment and Case Management Conference (SDSC Form #CIV-721) with the complaint (and cross-complaint), the Alternative Dispute Resolution (ADR) Information Form (SDSC Form # CIV-730), a Stipulation to Use Alternative Dispute Resolution (ADR) (SDSC Form # CIV-359), and other documents on all parties to the action as set out in SDSC Local Rules, rule 2.1.5.

**TIME FOR SERVICE AND RESPONSE:**. The following rules apply to civil cases except for collections cases under California Rules of Court, rule 3.740(a), unlawful detainer actions, proceedings under the Family Code, and other proceedings for which different service requirements are prescribed by law (Cal. Rules of Court, rule 3.110; SDSC Local Rules, rule 2.1.5):

- **Service:** The complaint must be served on all named defendants, and proof of service filed with the court within 60 days after filing the complaint. An amended complaint adding a defendant must be served on the added defendant and proof of service filed within 30 days after filing of the amended complaint. A cross-complaint against a party who has appeared in the action must be accompanied by proof of service on that party at the time it is filed. If it adds a new party, the cross-complaint must be served on all parties and proof of service on the new party must be filed within 30 days of the filing of the cross-complaint.
- **Defendant's appearance:** Unless a special appearance is made, each defendant served must generally appear (as defined in Code of Civ. Proc. § 1014) within 30 days of service of the complaint/cross-complaint.
- **Extensions:** The parties may stipulate without leave of court to one 15-day extension beyond the 30-day time period prescribed for the response after service of the initial complaint (SDSC Local Rules, rule 2.1.6). If a party fails to serve and file pleadings as required under this rule, and has not obtained an order extending time to serve its pleadings, the court may issue an order to show cause why sanctions shall not be imposed.

**JURY FEES:** In order to preserve the right to a jury trial, one party for each side demanding a jury trial shall pay an advance jury fee in the amount of one hundred fifty dollars ($150) on or before the date scheduled for the initial case management conference in the action.

**COURT REPORTERS:** Official Court Reporters are not normally available in civil matters, but may be requested in certain situations no later than 10 days before the hearing date. See SDSC Local Rules, rule 1.2.3 and Policy Regarding Normal Availability and Unavailability of Official Court Reporters (SDSC Form #ADM-317) for further information.

**ALTERNATIVE DISPUTE RESOLUTION (ADR):** The court discourages any unnecessary delay in civil actions; therefore, continuances are discouraged and timely resolution of all actions, including submitting to any form of ADR is encouraged. The court encourages and expects the parties to consider using ADR options prior to the CMC. The use of ADR will be discussed at the CMC. Prior to the CMC, parties stipulating to the ADR process may file the Stipulation to Use Alternative Dispute Resolution (SDSC Form #CIV-359).

# NOTICE OF E-FILING REQUIREMENTS AND IMAGED DOCUMENTS

Effective April 15, 2021, e-filing is required for attorneys in represented cases in all limited and unlimited civil cases, pursuant to the San Diego Superior Court General Order: In Re Procedures Regarding Electronically Imaged Court Records, Electronic Filing and Access to Electronic Court Records in Civil and Probate Cases. Additionally, you are encouraged to review CIV-409 for a listing of documents that are not eligible for e-filing. E-filing is also encouraged, but not mandated, for self-represented litigants, unless otherwise ordered by the court. All e-filers are required to comply with the e-filing requirements set forth in Electronic Filing Requirements (Civil) (SDSC Form #CIV-409) and Cal. Rules of Court, rules 2.250-2.261.

All Civil cases are assigned to departments that are part of the court's "Imaging Program." This means that original documents filed with the court will be imaged, held for 30 days, and then destroyed, with the exception of those original documents the court is statutorily required to maintain. The electronic copy of the filed document(s) will be the official court record, pursuant to Government Code § 68150. Thus, original documents should not be attached to pleadings filed with the San Diego Superior Court, unless it is a document for which the law requires an original be filed. Any original documents necessary for a motion hearing or trial shall be lodged in advance of the hearing pursuant to California Rules of Court, rule 3.1302(b).

It is the duty of each plaintiff, cross-complainant, or petitioner to serve a copy of this Notice of Case Assignment and Case Management Conference (Civil) (SDSC Form #CIV-721) with the complaint, cross-complaint, or petition on all parties to the action.

On all pleadings filed after the initial case originating filing, all parties must, to the extent it is feasible to do so, place the words "IMAGED FILE" in all caps immediately under the title of the pleading on all subsequent pleadings filed in the action.

The official court file will be electronic and accessible at one of the kiosks located in the Civil Business Office and may be found on the court's website at www.sdcourt.ca.gov.

**NOTICE**
- Plaintiff must file this cover sheet with the first paper filed in the action or proceeding (except small claims cases or cases filed under the Probate Code, Family Code, or Welfare and Institutions Code). (Cal. Rules of Court, rule 3.220.) Failure to file may result in sanctions.
- File this cover sheet in addition to any cover sheet required by local court rule.
- If this case is complex under rule 3.400 et seq. of the California Rules of Court, you must serve a copy of this cover sheet on all other parties to the action or proceeding.
- Unless this is a collections case under rule 3.740 or a complex case, this cover sheet will be used for statistical purposes only.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.
